

OPEN PROGRAMS

The Thames Valley Family Health Team offers the following programs to the general public:

Best Weight

Become health-focused and get practical strategies on nutrition, activity levels and other health behaviours.

Dream On: Cognitive Behavioural Therapy for Insomnia

A non-medication approach to help get your sleep back.

Heart Health

Learn practical approaches to managing your cholesterol levels and reducing your overall cardiovascular disease risk.

Leave the Pack Behind - Tools to Quit Smoking

Physical & psychological aspects of nicotine addiction; tactics to help you quit; medications that can set you up for success.

Prenatal Information Group

Learn about the physical, mental and emotional changes that may occur during the prenatal period.

Steady & Strong: A Falls Prevention Group

Learn how to prevent falls in your home and community so that you can live where you choose without losing your quality of life.

Sweet Talk: Managing Your Blood Sugars

Learn how to change your health behaviours to improve blood sugar control and reduce health risks.
